

What's new

Annual enrollment is your opportunity to review your benefit options and add, drop or change your benefit coverage for the next plan year.

Annual Enrollment Dates: November 10 - November 21

Be sure to enroll this year if:

- You were enrolled in the BlueCross BlueShield POS plan last year, as that plan is no longer available.
- You want to contribute to a Health care and/or Dependent Care Flexible Spending Account (FSA) this year.
- You want to contribute to a Health Savings Account (HSA).
- You want to change your coverage for this year.

What is changing this year?

- The BlueCross BlueShield POS plan is going away. If you were enrolled in this plan, make sure to review your new options.
- The wellness credit has been increased to \$300. Make sure you complete the survey to participate!

What happens if I don't enroll?

- If you do not make an enrollment election, all of your coverage from last year – except for FSAs and HSAs – will carry over into next year.
- If you were enrolled in the BlueCross BlueShield POS plan you will be defaulted into the Aetna Consumer Choice Plan.
- You will not be eligible for the wellness credit, a \$300 savings!
